

# WORKSHOP

## Repository

### of good practices of good care

8 September 2022

Ljubljana, SL

# TARGET GROUP

---

- + EU policy makers
- Member organisations
- Policy makers at national, regional and local level
- ~~Researchers, academics~~
- ~~Charities, potential funding organisations~~

# TOPICS

---

- 1) Social protection (compensation entitlements, pension deposits)
- 2) Young carers – repository on research and practice. To build on that
- 3) Interface between formal and informal care - team work, interaction
- 4) Care professionals as informal carers
- 5) Competences of informal carers
- 6) Accessibility/affordability/quality – from the Strategy
- 7) National IC care strategies as good practices

**EURO  
CARERS**

European Association Working for Carers

**- Use the 10 Steps on EAC Website + digitalisation and online**

**support**

# GOOD PRACTICES

---

- Formal evaluation or documentation. Quantitative/Qualitative evaluation
- Categories in the documentation – characteristic of carers; the person they take care of; type of care they provide
- The 10 principles **steps** of EAC could be used as a basis
- Include also unexpected effects

# Format of the repository

---

- ✓ Introduction – short description (why, who, when, how, what)
- ✓ Contact details – who can provide further info on the practice
- ✓ Search function by key words
- ✓ Content - Use pictures, stories, type of actions, actors involved, stage of the project, how to put it into practice, contact person
- ✓ How the example has been implemented

# IMPLEMENTATION

---

- ❖ Broader group of participants/**Projects of non-members**
- ❖ Put clear questions to be answered
- ❖ Languages – how to overcome the language barrier?
- ❖ Incentive – feedback on it and showcase
- ❖ To start by sending email inviting members

Challenge: How to keep it up to date

Suggestion: Internal exchange platform. To figure out how to create it.
